Our School

Men who wear the Gold and White,
Men who hear the call to fight,
Battle now for school and right.
On to Victory!

Gold and White the standard raise,
Let its motto brighter blaze
Ever to the end of days.
On to Victory!

Dedication . . .

TO THE FACULTY OF ALAMEDA HIGH SCHOOL

» It is largely due to your untiring efforts in our behalf that we can face an uncertain future with courage. Drawing upon your wealth of experience and your power to inspire, you have given generously of yourselves that we might gain a foothold in the realm of learning. The knowledge derived in our daily contact is the more valuable because of the friendliness with which is was imparted. You have been fair and patient and rich in understanding, overlooking our faults and encouraging our aspirations. With sincere gratitude for your loyalty to us and your devotion to teaching, this issue of the ACORN is dedicated to you, the faculty.

Foreword . . .

WE, THE STAFF OF THE 1951 ACORN, have endeavored not only to capture the spirit and life of Alameda High, but also to set down an imperishable reminder of our four school years.

That this book might be as complete as possible, we have included some of the yells and songs, the faculty and dance committee pictures, along with the other materials which are all a vital part of our school life. We have not only tried hard; but, we hope, succeeded in presenting to you, the students, a colorful and complete "scrapbook" of one high school year.

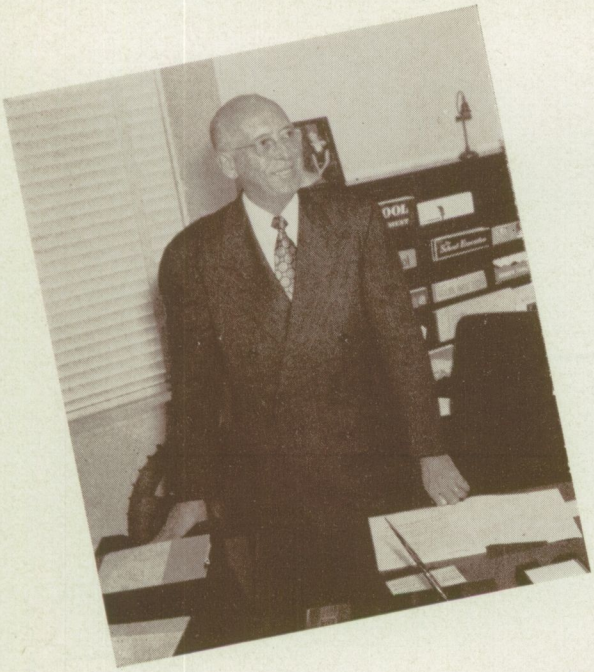
Board of Education



DR. WILLIAM G. PADEN
Superintendent of Schools

OUR BUILDING PROGRAM

In June, 1948, due to the tremendous increase in school population, it became necessary for the Board of Education to call for a bond election of $2,840,000 for the purpose of building four elementary schools and a high school.

A two-story concrete building of eight classrooms and an additional one-story wing, consisting of two classrooms, a department for industrial arts and homemaking, and a multi-use room, were added to the Longfellow School. This construction has been completed and is now occupied by intermediate school grades.

A five-acre site was purchased at the corner of 3rd and Brush Streets. The completed 22-room Woodstock School now occupies this site. Woodstock School, of most modern design, was named for one of the three original villages situated on the island of Alameda.

At the corner of San Jose Avenue and Paru Street, a beautiful new two-story concrete building of nine classrooms, multi-use room and kindergarten, has taken the place of the old Franklin School. It is now occupied and was dedicated on April 23 during the Public Schools' Week program.

Frank Otis School, located at the corner of Court and Fillmore streets, is a primary school of five rooms and kindergarten. This is now in the process of construction and will be ready for occupancy in September, 1951.

The first unit of the new Encinal High School, costing approximately one million dollars, is now in the process of erection. It is located on a 24-acre site between 3rd and 4th streets, south of Central Avenue. It will be completed and ready for occupancy the fall term of 1952.

Due to the proposed additional housing to be erected by the Congress Construction Company in the west end and the Johnson, Drake & Piper Company on Bay Farm Island, the Board is already making plans for the erection of two and possibly three additional elementary schools.

Mr. Bryan's Message

Several students have recently discussed with me the question of whether to remain in school until graduation or to enlist in some branch of the service. I would urge you all, boys and girls alike, to remain in school until you graduate. High school graduation today is considered essential in order to enter any of the numerous civil service positions that are open in cities, counties, states, and in the Federal government. Private business concerns are now filling all of their important positions with high school or college graduates. The leaders in all branches of the armed services are asking students to remain in high school until graduation. Only high school graduates are allowed to go to higher institutions of learning.

Graduation from high school usually means that the graduate has assumed responsibility for acquiring certain skills and knowledges that will aid him in his work and in his contact with others. It means, too, that he has accepted responsibility for self-control, self-direction, and for self-discipline.

It is important for your own self-esteem to finish that which you have started, so once again I urge you to complete your high school education.

To Miss Wilson and Miss Shockey, faculty advisors, to Bill Dowd, editor, Bobby Cooper, assistant editor, Carole Rath, art editor, Mike Prenter, business manager, and to the entire Acorn staff, I extend my thanks and appreciation for handling the difficult task of producing the 1951 Acorn.

» The student body of Alameda High was once again favored with assemblies which were both entertaining and educational. Ted Craig did an excellent job in the capacity of President, and attractive Joan MacWilliams more than adequately performed her duties as Vice-President. The rest of the cabinet also did superb jobs. Recording Secretary Bill Losee kept perfect minutes; Financial Secretary Porter Davis secured 100 per cent student body dues in record time, and yell leader Marilyn Bennett kept the school's spirit above par.

CAROLE RATH
Vice-President

» Amiable Bill Losee was rewarded for his conscientious job as recording secretary by being chosen President of the student body for the spring term. President Losee's cabinet consisted of popular Carole Rath, vice-president; Les Brown, recording secretary; Lee Sweeney, financial secretary, and Dan Gluck, yell leader. Each of the officers performed his duties well and set a high standard for his successor to attempt to emulate. The school has every right to be proud of the student administration of the spring of 1951.

Student-Faculty Committee

The students that make up the Student-Faculty Committee are the five Student Body officers, President of the Girls' Association, Chief Counselors of the Men's and Women's Boards of Control, a delegate at large, President of G.A.A., and the Presidents of the Men's and Women's Block "A" Societies. The Committee also has six faculty members. One of the chief purposes of this committee is to help obtain entertainment for our student meetings and also to report the reactions of the students to these meetings. This committee has proved itself time and time again and will continue to as each new student administration depends more upon it.

Seated, left to right: Betty Bayley, Miss Los Kamp, Gloria Zishka, Mr. Cummings, Bill Losee, Mr. Bell, Carole Rath, Les Brown, Mr. Moore, Dick Furino.

Standing, left to right: Miss Reichmuth, Dan Gluck, Bill Dowd, Lee Sweeney, Mr. Bryan.

Administrative Board

Twenty-two members of the student body compose Alameda High's Ad Board. These students, a boy and a girl from each class, and six students elected by the student body each term, decide the amount of money to be alloted to each school activity; they vote the disbursement of all student body funds.

The Ad Board has had an exceedingly successful year. Each of the three dances, two opening dances and the "Last Roundup," which it sponsored, was an outstanding social event.

This term, as in the past, a committee was appointed for securing a new table top to replace the old stained one in the Student Council room.

First Row: Carole Rath, Dan Gluck, Lee Sweeney, Ted Maxwell, JoAnn Rokusek, Les Brown, Clarine Gnutzmann, Bill Losee.

Back Row: Fred Davis, Bev Tollefson, Larry Spaulding, Tom Reiser, Larry Tavernier, Don MacGinnis, Herb Turner, Nick Romanoff, Warren Arnold.

Women's Board of Control

The Women's Board of Control is composed of 24 girls. Ten of these are selected by the Ad Board, four Seniors by the President and Vice-President of the Associated Students, four Juniors by their class advisors, and a committee, composed of the Principal, Assistant to the Principal, Chief Counselor of the Board of Control and President of Girls' Association, selects six.

The duties of both the Men's and Women's Boards of Control are to preserve order at all student functions such as games, meetings, dances, and all other activities of the Associated Students.

During the fall term, the high senior class held two class meetings. The meetings were very successful, because they were both interesting and entertaining. "Heaven Can Wait," a humorous play, was given as the class' senior play. The class of June, 1951, also added money to its treasury by having a noon movie. As the semester drew to an end, the members of the now 4B class were awaiting with great anxiety such senior activities as the senior ball, picnic, banquets and meeting.

The graduating class of June, 1951, has completed four highly successful years of high school. It is now looking forward to taking its rightful place in the "outside world" with an odd mixture of feelings: (1) happiness, because they have completed their high school education; (2) sadness, because they are leaving many friends, both students and teachers, and (3) determination, because they want to, and expect to, be successful in the career they individually choose.

The low seniors had many outstanding activities in the fall term. Receiving their junior sweaters and giving their Junior Prom, "Deep Sea Magic," were their most notable activities. The class also had a class meeting which was highly entertaining. The entertainment consisted of a variety of excellent acts by talented members of the class of February, 1952.

The class of February, 1952, after three and a half long years, is at last a high senior class. The class has had many events on which they can look back and be proud. The members of the class have found a sure formula for success—hard work. They have worked exceedingly hard and have been extremely successful. They have already enjoyed their senior picnic; they have been informed on Senior Opportunity Day, and they have given their Senior Play. Now, they are looking forward to their graduation day.

The class of June, 1952, has had a very eventful year. As low juniors they gave a successful noon movie and chose light beige cashmere for their junior sweaters. During the next semester they were very proud to present their colorful Junior Prom, the "Mardi Gras," which was managed by Jack Cecconi with co-manager Janice Kennedy. The class meetings and a second noon movie finished the term.

The class of February, 1953, has had a very busy and interesting year, highlighted by the eminently successful Soph Hop, "Cable Car Capers," given soon after the Christmas holidays. The dance was one of the school year's outstanding social events, and it made a handsome profit for the class treasury. Entertaining class meetings were held in the fall and spring terms, and a movie was sponsored.

Low Sophomores

Fall '50 - Spring '51

Having completed one full year in high school, the low sophomore class is now looking forward with great anticipation to their first big social affair, their Soph Hop; they are sure it will be the greatest yet. This year the class of February, 1954, held one entertaining class meeting and presented a noon movie which was a financial success.

The low freshman class successfully introduced co-educational advisories to Alameda High in the spring of this year. The class is now quite different from the class which entered high school in February. No longer do they look bewildered or get lost inside this large institution. The class has had its first class meeting and participated in its first A.H.S. election; it is now looking forward to three and a half more wonderful years of high school life.

The Hornets of Alameda High probably had the most unusual season any Alameda team has ever had; although they won only two games, they were defeated but once. Strange as it may seem, three, or 50%, of the Hornets' games ended in a tie. An inexperienced Alameda team lost one and tied two of their first three games, but helped immensely by Coach Socolofsky's coaching, and by the confidence gained after each game, the Hornets finished the season in a blaze of glory; they slaughtered Piedmont and Albany, and held the powerful El Cerrito Gauchos to a tie.

ROW I: D. Evans, G. Longanecker, L. Rogers, H. Davis, F. Pinkard, J. McMullin, H. Mann, R. Oshima, R. Brown, F. Cox, D. Mutch.
ROW II: T. Reiser, Mgr., W. Barnes, L. Lanham, H. Oranskey, A. Hansard, K. Noriye, B. Johnson, R. Aguirre, B. Marks, B. Ratto, J. Conkle, H. MacKenzie.

The future football stars of Alameda High had a rugged year; the Junior Varsity won 3 games and lost 3, and "B" team tied 1 and lost 5. However, the boys gained a great deal of experience and greatly improved their ability as the season progressed. Next year many of the boys will move up to the Varsity. As Varsity men they will match the records of other good Hornet teams, because they have been exceedingly well coached by Coaches Cadwell and Hayes.

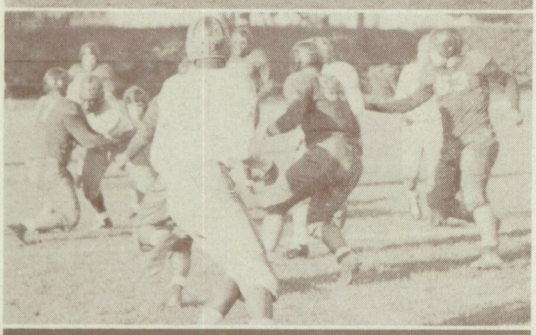
ON ALAMEDA

Alameda, Alameda, plunge right through that line,
Tear a hole right through the center
Touchdown sure this time.
Rah! Rah! Rah!
Alameda, Alameda, fight for victory.
Fight fellows, Fight! Fight! Fight!
We'll win this game.

Alameda, Alameda, Hail all Hail to thee,
In our hearts we'll always cherish
Loyalty for you.
Rah! Rah! Rah!
Gold and White our Emblem bright,
We'll raise to victory,
Skyward, we'll send our songs.
All hail to thee.

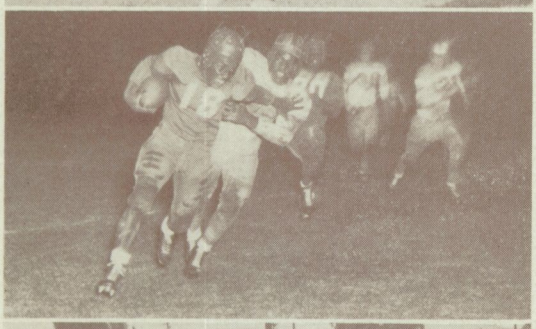
ALAMEDA 0 — HAYWARD 0

In their first A.C.A.L. game, the Alameda Hornets and the Hayward Farmers, both determined to get off to a good start, fumbled their way to a 0 to 0 tie. Each team seemed capable of playing an excellent game, but the players' anxiety often caused them to move toward the goal line leaving the pigskin behind.



ALAMEDA 0 — BERKELEY 18

The Hornets, in playing the Berkeley Yellow Jackets, opposed a football team equipped with a good running game and a better than average aerial attack. The Yellow Jackets scored 18 points while holding the Hornets scoreless; the game was practically even for the first half, but Alameda's gameness was no match for Berkeley's power.



ALAMEDA 19 — RICHMOND 19

Coach Socolofsky's team surprised the Richmond Oilers by battling the Oilers to a 19 to 19 tie. The team appeared to have found itself and gave promise of being a much better team for the rest of the season. The Hornets played an inspired game, and their rugged determination enabled them to hold the favored Richmond team to a standstill.

ALAMEDA 25 — PIEDMONT 0

Coach Socolofsky's revived Hornets stung the Piedmont Highlanders to the tune of a 25 to 0 defeat. The Alamedans lived up to the student body's expectations, and they really made the Highlanders feel low. The Hornets' offense clicked well, and the defensive team, for the second time in four games, held the opponents scoreless.

ALAMEDA 34 — ALBANY 0

The Albany Cougar found the Hornets' sting much more deadly than his claws; after being pushed up and down the gridiron for 60 minutes, the badly beaten Cougar was sent home licking his newly acquired bruises and murmuring "wait until next year." The once green Hornet team was now a powerful unit.

ALAMEDA 6 — EL CERRITO 6

A determined, confident, and well-coached group of Hornets went into the game with El Cerrito a definite underdog. The Alamedans were expected to lie down and play dead, but the inspired Hornets, helped by a wet field, furiously battled the unbeaten, untied Gauchos to a 6 to 6 deadlock. In the last half of the season the Hornets were definitely one of the powers of the league.

The Alameda High cagers had an interesting and exciting year. Though the team won only two games, their spirit and determination made them one of the toughest teams to beat in the league; Coach Hank Jones' Hornets never accepted defeat and hustled as hard as ever until the final buzzer was sounded. The majority of the boys will be back next year, and the Hornets should be one of the best teams in the A.C.A.L.

WE GOT A TEAM

We got a T-E-A-M
That's on the B-E-A-M,
We got a Team that's on the beam;
It's really hep to the jive.
Come on Hornets, skin 'em alive!

The Junior Varsity basketball team, under the superb coaching of Coach Cadwell, had a very good year. The J.V.'s played very good ball in each game and several of them proved themselves to be capable of making the grade as Varsity men next year. Coach Cadwell's instruction and the boys' desire to learn made the team a success.

Under guidance of Coach Calder Hayes, the Alameda High baseball team had a very good year. The team was very well balanced, and its hitting and fielding were of a good quality. This was Coach Hayes' first year coaching the varsity, and he did an excellent job; he seems to know a great deal about baseball and to be able to get the most out of the available material.

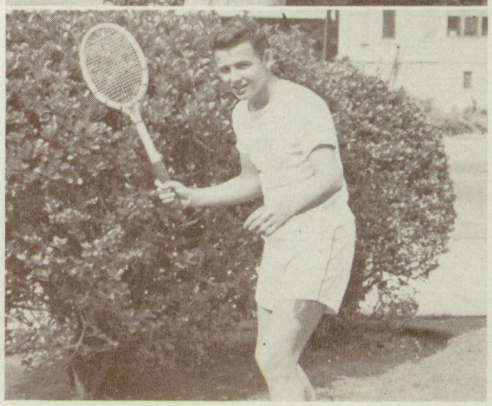
Coach Lewis Jolley started this year's track season with four returning lettermen. As the season got underway, Coach Jolley's team improved steadily due to excellent coaching and experience gained at each meet. Bill Dowd, Herbie Turner, Jack Hales and Jim Coffee did very well as the Alameda squad edged out Piedmont and El Cerrito. Our "B" track squad coached by Charles Socolofsky has turned out to be one of the best in A.H.S. history. Track records were broken as they won the El Cerrito and San Jose 20-30 relays. We can look forward to having a very successful track season next year.

Row I—K. Rudd, B. Connally, R. Miramont.
Row II—G. Catambay, R. Elrod, K. DeVries, L. Barnett, W. Hebel.

Tennis

With only one returning member of the 1950 team, Coach Jones did a fine job of building another good tennis team out of almost completely new material. His advice helped the boys develop a better backhand and forehand stroke and greatly improved their game. The tennis playing Hornets are one of the smallest and most interesting school teams.



A. Burtleson, P. Thrower, R. Ratto, C. Shephard, J. Cummings.

Golf

The golf team is Alameda High's smallest sport team. The team is composed of five boys and is coached by Coach Jolley. The boys did a good job of representing Alameda High in competion against other schools in the A.C.A.L. Coach Jolley kept the spirit and determination of his team at a high point.

All girls interested in sports aspire to become members of the Girls' Athletic Association. Only girls who have achieved and maintained a high average in P.E. are allowed to join.

A wide assortment of sports, both team and individual, is offered. The girls who are on winning teams or those who are outstanding in individual sports are presented with letters and trophies at the semi-annual spread. Also at this time the newly-elected officers are announced.

Under the capable leadership of Mrs. Myrtle McKenna, faculty advisor, the girls are kept busy with other activities such as the pencil sale, movie, play days, and college play days.

BILL DOWD

What seemed at one time complete chaos has a
last taken shape; no longer do our staff members, in
cluding the editor, wander around in a daze with tha
blank, confused look on their faces. Most of our wor
ries are over and what were only ideas roughly
sketched on paper have now formed a yearbook
which, we hope, will take a place among the best
Most of the credit, however, should go to our faculty
advisors, Miss Wilson and Miss Shockey, for they
not only kept things going all the time, but gave us
that necessary push when we needed it most.

I want to thank the members of the staff for their
cooperation and the many hours which they have put
in. We hope that you, the readers, get as much enjoy
ment out of this book as we did preparing it for you.

This year, 1951, the OAK LEAF Staff has worked to give to you, the students, the best possible editions. We have learned many things in connection with Journalism, its "do's" and "don'ts," dummy-proofing, deadlines, and so forth, but most of all we learned the idea of working together as a team toward the goal of success, for which each team strives.

Both fall and spring terms were headed by Dave Lok, who proved to be capable and willing to work. Always ready to help and encourage us was our ever-needed Faculty Advisor, Miss Grace S. Powers. Without her, we're sure success would have been doubtful.

We hope the editions have been pleasing and welcome, for we can say, in all sincerity, that we have striven for the pleasure of you students to the best of our ability.

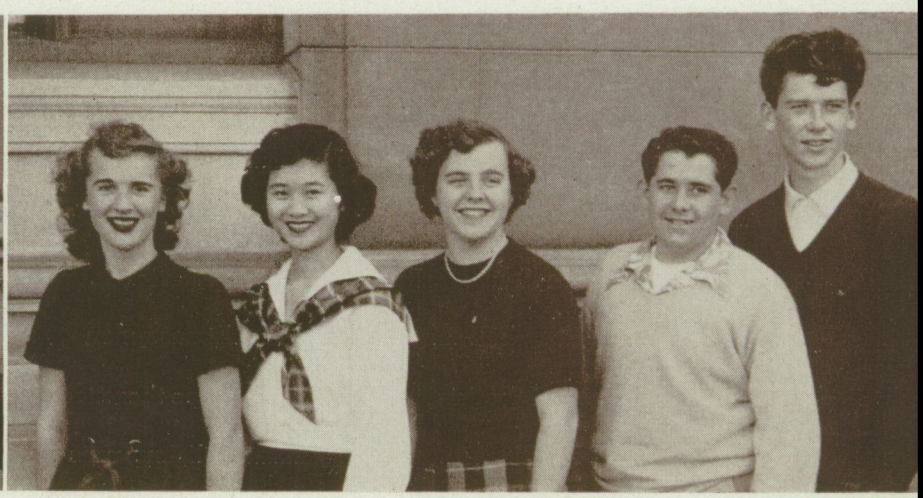
"DEEP SEA MAGIC"

"Deep Sea Magic" was the name of the Junior Prom of the class of February, 1952. The dance was managed and co-managed by Joe Jones and Carole Heavey. The co-managers and each of their committees worked extremely hard, and they succeeded in making the dance a success. The original and novel theme was followed from the unique bids to the beautiful decorations.

Jim Barber, Manager
Bev Vernon, Co-Manager



Selma Johnson, Decorations; Sandra Wong, Bids; Donna Barnard, Reception; Bob Connolly, Music; Bill Tilley, Publicity.

"CABLE CAR CAPERS"

A very energetic group of last term's high sophomores made their Soph Hop a success. The dance was a success both socially and financially. Jim Barber and Bev Vernon were the manager and co-manager of the dance. The class obviously made wise choices in selecting their manager, co-manager and committees, because they all did their job excellently.

Janice Kennedy, Co-Manager

"MARDI GRAS"

On the 20th of April, the high junior class presented the "Mardi Gras," their Junior Prom. The atmosphere of the dance was unusual, the decorations were magnificent, and the music was enjoyed by everyone who went to the dance. Jack Cecconi and Janice Kennedy, the manager and co-manager, and each committee worked hard and successfully.

Soph Hop Committee Heads: Bev. Tollefson, Reception; Joan Villa, Bids; Gary Longanecker, Decorations; Tom Lubbock, Publicity; Duane Evans, Music.

Grant Nieman, Manager
Barbara Tuter, Co-Manager

"ROCKIN' HORSE RAMBLE"

One of the best attended social events of the year was the "Rockin' Horse Ramble." The dance was given by the High Sophomores as their Soph Hop. The bids were novel, and the atmosphere was certainly unique and interesting. Grant Nieman and Barbara Tuter were the manager and co-manager.

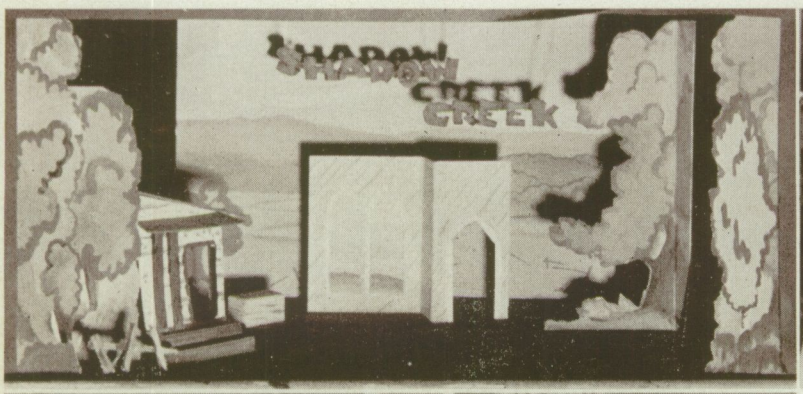
ANNUAL MERRY-GO-ROUND

CHURCHGOERS

CHRISTMAS PAGEANT

"Christmas Magic" was the title of the unique 1950 Christmas pageant. The pageant, a pantomime, featured the modern dancing class whose original and expressive dances completely captivated the members of the student body. Beautiful setting by the art department, appropriate costumes worn by the cast, and the harmonious singing by the Choir and Glees made the pageant one which will not be forgotten soon.



Miss Marian Los Kamp

Set for "DOWN IN THE VALLEY"

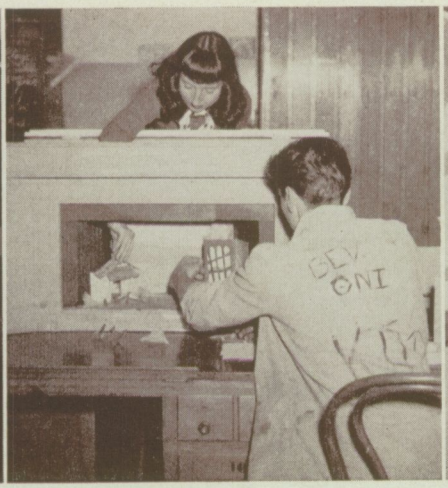
J. Watson, K. DeVries, J. Whitchurch, T. Stam, K. Owen, E. Stone, J. A. Bowen, G. Mills.

OPERETTA

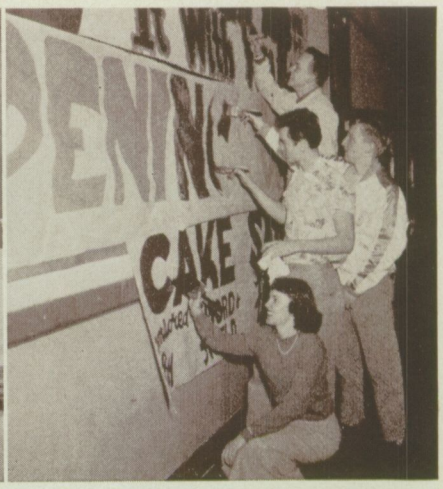
"Down in the Valley" was the operetta given by the music department this spring. The homespun texture, the native American tone of the music, the rustic lives of the characters, and its beautiful simplicity made the operetta, the story of a condemned man and his sweetheart, a huge success. Each member of the cast did an excellent job.

Commercial Art

Marilyn Feder, Rosemary Kaster, Bill Lahmann, Jeanne Beaty.



Joella Mahoney, Jim Evans.



Ramona Barnes, Doug Evans, Jack Gosney, Fred Davis.

The students in the commercial art class and others in the advanced and senior general art classes do a superb job each year, and this year is no exception. The students seem to be interested in their work and work diligently and untiringly in an effort to do a good job. The stage settings, banners, dance decorations, and posters used by the school's various organizations are examples of their success. The art classes are taught by Miss Edna Reichmuth and Mrs. Dorothy Layton, whose excellent work as teachers is reflected in the work of their students.

Modern Dancing

D. Harris, J. MacWilliams, C. Lombard, L. McClara, A. Jackson.

M. Bennett, G. Meyers, L. Newell, C. Shadle, L. McClara, J. Smedly.

R. Hintz, B. Bothwell, J. Wisberger, L. Marriott, M. Bennett.

Although modern dancing is one of the newest activities of the girls' gym classes, it is certainly one of the most popular and fascinating classes. The class this year participated in several student body meetings; their dancing in each of these meetings was captivating. Mrs. Darlene Lee is the class's very capable instructress.

MRS. STARCK
Musical Director for Operetta and Christmas Pageant

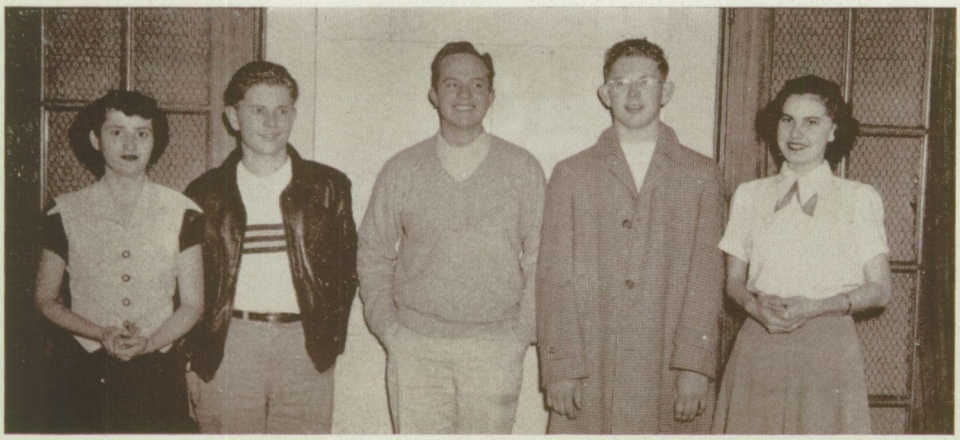
The music department of Alameda High has provided the student body with beautiful and harmonious music for the past two semesters. The Choir, Boys' Glee, and Girls' Glee participated in several Student Body meetings and performed exceedingly well each time. Particularly outstanding were the melodious songs sung during the Christmas pageant under the direction of Mrs. Starck.

Senior Opportunity Day

SENIOR OPPORTUNITY DAY COMMITTEE
BACK ROW: Phil Long, Rosemary Kaster, Shirley Liebhart, Kathleen Foley, Joe Steel.
FRONT ROW: Joella Mahoney, Don MacGinnis, Chairman; Jean Adam, Assist. Chairman.

Each year in the Spring the Senior Class has a day set aside called Senior Opportunity Day. At this time the seniors have an opportunity to hear authorities speak of careers in which the seniors themselves have indicated a special interest. There are five sections, one on advanced education, three on different kinds of specialized training, and the last is on marriage and social relations. This year the theme was "Our Tomorrow." Jean Adam and Don MacGinnis were co-chairmen, and Joella Mahoney, Joe Steel, Phil Long, and Shirley Liebhart were general chairmen. Rosemary Kaster designed the program cover, Kathleen Foley was the secretary. Mr. Lawrence Koehler was faculty advisor.

City Officials



Left to right: Pat Wilson, Ken Stanhope, Fred Davis, Dick Stanhope, Pat Davis

Each year the Optimist Club sponsors a day in which students from St. Joseph's and Alameda high schools take over the various city offices. This year the representatives, elected by the student body, were Fred Davis, Vice Mayor; Pat Wilson, Councilman; Pat Davis, Councilman; Ken Stanhope, Fire Chief; Dick Stanhope, Police Chief. Officers from St. Joseph's were: Larry Isom, City Manager; Jerry Smith, Councilman, and Bob Barone, Mayor.

Boys' State

Don MacGinnis, Baliff of Supreme Court; Lee Sweeney, Councilman; Porter Davis, Secretary of Finance on Governor's Council; George Catambay, Chief Justice of the Superior Court; Bill Dowd, District Attorney; Bill Losee, Senator.

Each year Alameda High School sends five of its outstanding young men to Boys' State, sponsored by the American Legion of California. These young men are selected from the junior class of that year and are sent to Sacramento, where Boys' State is held, to get practical knowledge of how our state government functions. The boys are allowed to run for the various offices which comprise a state government. This year each of our representatives was elected to an office. The student body of Alameda High is very proud of its representatives to California Boys' State.

Girls' State

Girls' State is an annual event sponsored by the American Legion Auxiliary and held in Sacramento. Girls from almost every high school in California attend and take part in the many activities planned in their behalf. City, county and state elections, conducted in the same manner as corresponding regular elections, are the highlights of the eight educational and fun-packed days.

The purpose of the Girls' Association is to promote common interests among the girls of the school.

The outstanding activity of each term is the freshmen reception. At this event the freshmen and new girls are the honored guests, and each one is escorted by a senior sister. A South Pacific theme was used at the fall reception, while the spring reception used the Tyrolian theme.

Two fashion shows were held, and the G.A. also presented several cake sales, a movie, and two outstanding student meetings.

Mrs. Helen Hoeksema has been their fine Advisor.

The Junior Red Cross, sponsored by Miss Wann and Dr. Peoples, has been very active this year. Its main activities were acting as the host for the Junior Red Cross Regional Conference and raising funds for the Red Cross. The organization also gave a talent show at Oak Knoll and several parties which were immensely enjoyed by those who attended them.

The Junior Red Cross is, and always has been, one of the most active and worthy organizations at Alameda High.

The CSF members of this year have many events on which they can look back with pleasant memories. The Alameda High Chapter of the California Scholarship Federation gave its traditional Christmas party, and once again it was a huge success. On the 14th of April, the CSF'ers celebrated Pan-American Day with a party at the home of Mr. Saunders. On the 28th of April, several of them attended the annual Regional CSF Conference of Central California, and in May, a party at the home of Jean Burns, and another party in honor of the graduating life members completed the year's activities.

Mr. Reginald Saunders, Miss Mary Connelly, and Mr. Darrell Coughlan are the CSF's sponsors.

Bobby Cooper, Jean Burns, Pat Prenter, Bill Shaw, James Miller.

The Men's Block "A" is a very exclusive and active organization. Only those boys who have earned a varsity block "A" are eligible for membership; to become a member the boy must conform to the rules of the initiation. The outstanding event of each year is a show the Block "A" presents in the gymnasium. This year the show consisted of a basketball game in which each player wore a boxing glove on his right hand.

Another year is past, and the French Club says good-bye to two very successful terms. The entry of French students in the National French Contest is sponsored by the club as part of its spring activities. The group also donates a silver cup to the best student in fourth year French. In the spring the club holds its flower sale, a colorful event which is now traditional. The proceeds of the sale go in part to some worthy cause.

Mrs. Darison and Mrs. Lee, the club's faculty advisors, work with the officers in an effort to make the French Club's meetings both educational and social. Any student who is taking, or has taken, French is eligible for membership in Le Cercle Francais.

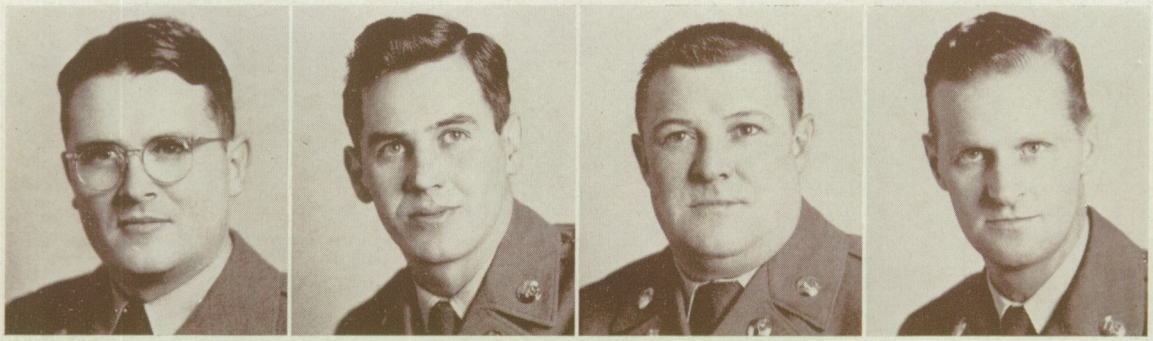
R.O.T.C. INSTRUCTORS



Capt. Sherwood D. Burgess | M/Sgt. John T. Shepherd | S/Fc. Harold M. Engle | M/Sgt. Charles O. Stevens

The Alameda High School R.O.T.C. unit consists of approximately 220 members who are divided into three companies, the band, and the staff. Under the guidance of the regular army instructors, the cadet staff has charge of the plans and training of the unit.

In addition to the military, leadership, and citizenship training, the highlights of the R.O.T.C. year include at least one street parade, the Federal Inspection, and the annual competition. The competition held this year on May 25th at Lincoln Park provided a spectacular display for the students and other spectators. The rifle drill down afforded the most tense moments for the spectators and cadets. The ceremony was capped by the award of numerous medals to outstanding R.O.T.C. students. These medals were proudly displayed at the gala Military Ball, held a week later.

Appreciations...

In publishing this year's Acorn many people have given their time and assistance. We hope that this page will to some measure, express our thanks to the following:

To Mr. Bryan for his help and co-operation at all times.

To Mr. Thurlow of California Arts and Engraving Co. for his helpful suggestions and a fine job of photo-engraving.

To Mr. Brazelton of Fontes Printing Co. not only for his excellent job of printing but also for his unending help and patience.

To Mr. and Mrs. Barboni for the fine photography, more than prompt delivery, and patience about unusual calls.

To Mr. Silvius of Silvius and Schoenbackler for producing a fine cover.

To Mrs. Hall, Virginia Bartalini and the office staffs for supplying us with necessary information.

To Mrs. Hoeksema for her helpful advice and the indispensible use of her telephone.

To Mrs. Berry for the use of her typing equipment.

To Glenna Meyers for her assistance in identifying pictures.

To Miss Reichmuth for her unlimited time and supplies.

To Mrs. R. E. Rath for her unending supply of black coffee and aspirin.

To all the faculty and activity advisors for their splendid help in identifying the many pictures.

To the many students who aided us by contributing snapshots—we only regret that we could not use all of them.
